cisco this morning, 1,140 bgs sugar, 1411  
bales bananas and 31 boxes of betel  
leaves. Value, \$9,906.50.

The bark California arrived at Kahu-  
lui yesterday afternoon from Honolulu,  
and immediately began discharging her  
cargo of coal.

The R M S Mariposa arrived last even-  
ing in charge of the first officer, Mr  
Hart, Captain Hayward having remained  
at Auckland on business connected  
with the O. S. S. Co. Left Sydney Aug  
8th at 4 p m. Left Auckland Aug 13th,  
at 4 p m, and arrived at Tutuila Aug  
17th. Experienced pleasant weather  
during the whole voyage.

LOCAL & GENERAL NEWS.  
Go to the Elite to-day for cream  
pies.

SEVERAL live local matters have  
been crowded out of this issue.

The Samoan hula dancers did not  
come by the Mariposa as expected.

LEWERS & Cooke have just opened  
a fine lot of Chinese Matting and  
Rugs.

The challenge six-oared boat race  
between the Vandalia and Honolulu  
Y. & B. Club crews has been declar-  
ed off.

FINE weather with copious showers  
is the report from Hawaii, Maui and  
Kauai by the several steamers this  
morning.

Mr. W. F. Allen will act under a  
full power of attorney for Mr. W. C.  
Parke, during the latter's absence  
from the Kingdom.

NAALIEBU mill has finished grind-  
ing for the season. Honapuu mill  
will commence grinding again in  
about four weeks.

AFTER a heavy shower of rain that  
fell at Kailua this week an army of  
caterpillars came and devoured every-  
thing that was green.

ONE of the through passengers by  
the Mariposa, last evening, is an in-  
ventor of a new kitchen utensil which  
he said he would like to introduce  
here, but the ironmongers were not  
open and he could not find a business  
directory in the morning paper.

Gentlemen will do well to call  
at the Arcade and examine the latest  
in clothing at the lowest price in the  
Kingdom.

The bark Kalakava will sail on  
Tuesday or Wednesday next for Ta-  
hiti, with about 200 head of cattle  
for Mr. Sam Parker.

Mr. J. E. Brown & Co. desire by  
advertisement that customers having  
their empty soda water or lemonade  
bottles will inform them.

Mr. Alfred Branch departed by  
the S. S. Mariposa for San Francisco,  
this morning, to (it is reported) get a  
new six-oared boat for the Honolulu  
Y. & B. C.

A KANAKA carrying a Colonial  
poodle, and a long legged Colonial  
chasing them both, was one of the  
amusing incidents which followed  
the arrival of the Mariposa last even-  
ing.

"VANCE," "baggage smasher," of  
the S. S. Mariposa, formerly of the  
Empire, and known for having fired  
with a pistol at Rocky, was arrested  
this morning on a charge of assault  
and battery on Cayford.

It is a pleasure to note that Messrs.  
Hickfield & Co., are putting down a  
new sidewalk about their premises,  
corner of Fort and Queen streets. If  
other moneyed houses on Fort St.  
from Queen down, would follow suit,  
people would be thankful beyond ex-  
pression.

THE S. S. Mariposa sailed for San  
Francisco shortly after 10 o'clock  
this morning. The band was in at-  
tendance. While the steamer was  
being hailed away from the wharf, a  
jovial Colonial tourist shouted,  
"Three cheers for the Honolulu  
Band!" and three rousing cheers  
were given by the passengers.

EVENTS THIS EVENING.  
Meeting of the Hawaiian Social  
Club, at 7:30 o'clock.

A BROKEN ROLLER.  
Last Saturday a roller of Kekaha  
Mill, Kauai, broke down. The  
schooner Liholihi went to Elele  
Mill to get a spare roller, and tak-  
ing it to Kekaha, that mill resumed  
grinding on Tuesday. The Mikahala  
took the broken roller on board at  
Kekaha this last trip, and came to  
Honolulu a day ahead of her regu-  
lar time, to have it fixed at the  
foundry, in order that it may be  
taken back on Tuesday.

FROM THE CRATER.  
Mr. Maby, writing from the Vol-  
cano House, under date of August  
20th, gives the following news. At  
7:30 o'clock this morning (August  
20th) a heavy shock of earthquake  
was felt and Madame Pele went into  
fiery convulsions. The crater, all  
around the cone is a boiling, surging  
mass of liquid fire. The variations  
of temperature for the week ending  
August 20th were between 78 and  
56 degrees. About half an inch of  
rain fell during the week.

Legislative Assembly.

73RD DAY—August 24th.

MORNING SESSION.  
The House opened at 10 a. m.,  
President W. R. Castle in the chair.  
Roll called and absentees noted.

REPORTS OF COMMITTEES.  
The Attorney-General reported  
from the select committee to whom  
was referred the Railway bill, re-  
commending that with certain  
amendments which they offered, the  
bill pass. The report was received  
and laid on the table to be consid-  
ered with the bill.

RESOLUTIONS.  
Minister Thurston asked for fur-  
ther time in which to answer the  
questions of Rep. Nakaleka.

Noble Makee offered the following  
resolution:—  
Be it resolved by the Legislature  
of the Hawaiian Kingdom: It is the  
sense of this House that the Cab-  
inet should act upon their own re-  
sponsibility irrespective of any pre-  
vious action taken by this House,  
in determining upon further suits or  
prosecutions in respect of duties  
upon wines and spirituous liquors  
withdrawn from the Custom House  
upon official orders.

The Attorney-General said he had  
heard that such a resolution was  
coming, but did not know until now  
its import. He saw no reason why  
this resolution should not be adopt-  
ed, and should support it.

Noble Waterhouse asked to have  
the resolution of September 3, 1887,  
read and also this one read again.  
The request was granted and both  
resolutions were read again.

Noble Waterhouse said that as  
members of this House, we should  
not go back on our last record. He  
should therefore move to indefinitely  
postpone this resolution. The Gov-  
ernment have done their duty in un-  
earthing the frauds perpetrated and  
we should encourage them in so  
doing.

Rep. C. Brown said he could not  
agree with the Hon. Noble. The  
Attorney-General has assured us  
that it will not in the least interfere  
with the discharge of his duties,  
and he thought that he (Attorney-  
General) should not be restricted by  
any such resolution as was passed  
last session.

Noble Baldwin said he was in  
favor of this resolution. He was  
satisfied that the Attorney-General  
would do his duty. He said

Go to the Arcade and get one  
of them Fine Embroidered Dresses,  
only \$3.50.

that the resolution passed last  
session was cast iron in its provisions,  
and thought it wrong for this House  
to pass such resolutions as will  
hamper the Ministry. He thought  
that they should be allowed to exer-  
cise their own discretion.

Noble Young was in favor of this  
resolution. Last session when the  
House convened they found every-  
thing at loose ends, and cast iron  
resolutions were passed because the  
members were hot and excited.

Rep. Kinney asked the Ministry  
if it was true that G. W. Macfarlane  
& Co. would be obliged to give  
bonds for \$70,000, for amount of  
suits pending against them, before  
a licence would be granted them?

The Attorney-General said that  
there had been some correspondence  
and interviews with members of the  
firm, and the Cabinet had the mat-  
ter under advisement. If it is  
thought that this is a personal mat-  
ter between the Macfarlane's and  
members of the Cabinet, persons so  
thinking are very much mistaken.

The Cabinet have not reached  
any decision in the matter. He  
had tried through the Council of  
the firm, to compromise the matter  
in some way, but they stand de-  
fiant and as yet nothing has been accom-  
plished.

Rep. C. Brown asked if when a  
suit is pending against any one,  
said party should transfer any of  
his property to other persons, such  
transfer would be valid?

The Attorney-General said he  
thought that such transfer would  
not be valid, but a transfer of real  
estate, and that of merchandise are  
two different things. A firm's mer-  
chandise may be disposed of and  
not replenished. However he pre-  
ferred to say nothing about the  
manner in which people conduct  
their business; he did not think it  
a matter for parliamentary discussion.

Rep. Kaulane spoke in favor of  
tabling the resolution.

Noble Richardson supported the  
motion to adopt the resolution and  
endorsed the remarks of Noble Bal-  
win.

Noble Smith said he had rather  
give the discretion to the Cabinet  
in granting a licence, but he was  
not so certain in regard to other  
provisions of the resolution.

Rep. C. Brown moved to amend  
the resolution by adding the words,  
and in the matter of issuing licences.  
Noble Waterhouse said he believed  
that if the Ministry knew that cer-  
tain money was due the Govern-  
ment, they would get it, whether a  
resolution to that effect was passed  
or not.

The ayes and noes were called on  
the indefinite postponement of the  
resolution. On motion the Ministry  
were excused from voting. The  
motion to indefinitely postpone was  
lost on the following division: Ayes  
12, Noes 26.

The resolution was adopted as  
amended by Rep. C. Brown.

ORDER OF THE DAY.  
Third reading of the bill to con-  
fer certain authority on Circuit  
Judges. Passed.

Second reading of the bill to pro-  
vide for the bringing of suits by  
and against the Government. The  
bill was read by title.

The Attorney-General moved that  
the original bill be taken up, and  
that the substitute bill introduced  
by the committee be indefinitely  
postponed.

Noble Smith spoke in favor of the  
bill introduced by the committee.  
He said that there were only two  
cases that that bill allowed to  
go before the Court. 1st by  
parties who have performed any  
labor under a lawful contract made  
by the Cabinet, and by persons in-  
jured in limb or property through  
the carrying on of any public work.

He argued that a private individual  
should be allowed to bring suits  
against the Government.

Rep. Kinney said he did not sign  
the bill introduced by the commit-  
tee and did not believe in it. He  
said there had never been any trou-  
ble about bringing suits against the  
Government.

Pending discussion of these bills,  
the House took recess until 1 p. m.

AFTERNOON SESSION.  
The House reassembled at 1:15  
p. m., and resumed the considera-  
tion of the bill relating to the bring-  
ing of suits for and against the Gov-  
ernment. The original bill with  
amendments passed to engrossment.

Second reading of the bill sub-  
mitted by the Judiciary Committee  
in connection with their report on  
the petition of Noble Widemann  
for a refund of taxes alleged to  
have been paid twice.

Minister Green moved the indefi-  
nite postponement of the bill.

Noble Smith moved it pass to eng-  
rossment.

Rep. C. Brown moved an amend-  
ment which was adopted.
